

PAUL

i Don postanawiają zacząć nowe życie. Kradną forszę narkotykowego gangu i uciekają do Kalifornii. Niestety, szybko okazuje się, że ścigają ich nie tylko żądni zemsty przestępcy, ale i tajemnicza istota nie z tego świata. Kim lub czym jest podążający za nimi Obcy – aniołem stróżem czy demonem zagłady?

„Istota” to klimatyczny thriller science fiction ze znakomitym Paulem Dano („Aż poleje się krew”, „Mała Miss”) w roli głównej.

Light And The Sufferer:

Science Fiction Roger Luckhurst, 2005-05-06 In this new and timely cultural history of science fiction Roger Luckhurst examines the genre from its origins in the late nineteenth century to its latest manifestations The book introduces and explicates major works of science fiction literature by placing them in a series of contexts using the history of science and technology political and economic history and cultural theory to develop the means for understanding the unique qualities of the genre Luckhurst reads science fiction as a literature of modernity His astute analysis examines how the genre provides a constantly modulating record of how human embodiment is transformed by scientific and technological change and how the very sense of self is imaginatively recomposed in popular fictions that range from utopian possibility to Gothic terror This highly readable study charts the overlapping yet distinct histories of British and American science fiction with commentary on the central authors magazines movements and texts from 1880 to the present day It will be an invaluable guide and resource for all students taking courses on science fiction technoculture and popular literature but will equally be fascinating for anyone who has ever enjoyed a science fiction book

Light and Lighting, 1952 *The American Journal of Electrotherapeutics and Radiology*, 1917 *Judaic Perspectives on Ancient Israel* Jacob Neusner, Baruch A. Levine, Ernest S. Frerichs, 2004-07-09 This volume assembles for the first time a representative statement of Judaic learning on the Old Testament as it is studied today by many of the most important Jewish Bible scholars of the age A host of internationally known scholars American European and Israeli here present a variety of rich perspectives on the study and interpretation of the Scriptures revered by both Judaism and Christianity These studies make clear that no single Jewish school of biblical scholarship exists Rather there is a Jewish approach involving appreciation for Hebrew as a living language the reality of Jewish settlement in the Land of Israel the continuity of Scripture in the life of Israel the Jewish people and the state of Israel and a complete and healthy adaptation of the critical perspectives of contemporary scholarship This unique and stimulating volume vividly demonstrates the importance and value of critical scholarly discourse on the Hebrew Scripture Old Testament by Jewish scholars for both Christian and Jewish communities
